

Dear Parents,

My name is Suzanne Berry, and I will be your child's teacher this year. I am so excited to meet you and to work with you. This is my 32nd year of teaching and I absolutely love it. I love teaching my students and watching them grow and learn. This is my second year at Henderson Elementary, and I am very excited to work at this wonderful school. I strive for all my students to progress on their goals and skills. My favorite animal is an elephant, and I love the color purple. I can't wait to learn about your child's favorite things. It is of great importance that we work together and strive for success.

Please allow 24 hours for me to respond to emails (emergencies should be via phone message). My email is berrysm@pwcs.edu and the school's phone number is 703-670-2885. I will be communicating through School Status, so please be on the lookout for calls, emails, and messages from PWC Schools. It may be a number you don't recognize.

If you are in my morning 2-year-old class, please send in diapers and wipes as needed and a snack each day we meet. I also want to ask if you can donate some Lysol cleaning wipes for the classroom.

Learning and consistency are so important; therefore, I discourage you from traveling during our scheduled school days. The more your child is in school, the more they will learn. Thank you so much for your time. I am so excited for the school year to begin and to start working with your child. We are going to have an awesome year!

Suzanne Berry
