Hello! I am originally from PA and moved to VA in 1990 after graduating from Penn State. We Are! IYKYK I began teaching in PWCS in 2010. I have 2 children, a daughter who just graduated from GMU with a criminal justice degree and a son who just graduated from Penn College of Technology with a culinary degree. My husband and I enjoy spending time with friends and family.

I'm so excited to be your child's teacher this year. It will be my 2nd year as a Henderson Husky, although I've been teaching for over 30 years. Preschool is by far the best level that I have taught. Where else can I get to play all day? I can't wait to get to know you and your child. Now we all will have 2 families, our home family and our school family. We will have an amazing year learning, growing, and discovering. We don't have a big supply list, but if you would send the following with your child, it would be greatly appreciated.

Everyone: regular sized backpack, 1 pack of glue sticks

Boys: gallon ziploc bags, Lysol wipes

Girls: sandwich ziploc bags, 1-2 rolls of paper towels
