ABOUT ME

Hello! Welcome to third grade! I am so excited to begin this new school year with you and your child. This will be my second year as a teacher and my first year at Henderson, and I couldn't be more thrilled to join such a wonderful community.

Working with children has always been my passion. There's nothing more rewarding than seeing the excitement on a child's face when they reach a goal they've worked hard for. My goal in the classroom is to create a welcoming, exciting environment that encourages confidence, curiosity, and a love for learning.
