Ms. Woodby

welcome

Welcome to fifth grade!

What an amazing year we are going to have! Fifth grade is an amazing year of growth and transition, and I can't wait for us to be on this journey together. 😊

a little about me

This year begins my 19<sup>th</sup> year in education. I have taught third, fourth, and fifth grade in Loudoun and Prince William County Schools. I also taught for 2 years in a small town in New Hampshire. I absolutely love being a teacher and am so happy to be teaching in Prince William County, where I grew up and attended PWC schools. 😊 I have two children, Keira and Chloe, who are 6 and 9 years old. Keira will be in fourth grade and Chloe will be in first grade at HNES! I love spending time with my family and traveling to new places/sharing new experiences with them.

my favorites

For Classroom

Sticky notes, white board markers, highlighters, colored pencils, #2 pencils, glue sticks
