

# Meet the teacher

Mrs. Thomas

## WELCOME

I'm thrilled to begin this journey with you and your child as we work together to create a successful and enriching school year. Building strong relationships is at the heart of our classroom, and I can't wait to get to know each of you. In our class, we'll be using School Status and daily communication folders to stay connected. Please allow up to 24 hours for responses to emails to ensure each message the attention it deserves.

## ALL ABOUT ME

I have lived in Virginia most of my life. I am married to my college sweetheart, and we have five children and five fur babies. I love our school community, and I have been a part of the Husky family for 4 years. Supporting my students' growth and witnessing their progress is incredibly rewarding. I'm truly excited about the opportunity to partner with you in education. I believe in meeting each student where they are and fostering a nurturing, positive learning environment that empowers every learner to thrive. It's going to be an amazing year full of learning, growth, and exciting new experiences. Let's make this year one to remember—go Huskies!

## MY FAVORITE THINGS...

- **Color:** Purple
