

For your records: Parent Copy
Henderson Elementary Kiss N Ride Procedures

- I understand that students may be dropped off **no earlier than 9:05 a.m.** to enter the building and picked up in the afternoon at **4:00 p.m.** **Note: A long KNR line is not an excused tardy.**
- **I understand that use of the tag indicates my implied consent to release my child to me or my designee.**
- I understand that **only two copies** of the assigned number will be provided per family.
- I understand that the tag must be clearly displayed prior to entering the KNR line.
- **I understand that any lost tag will be replaced for a \$10 fee per tag.**
- I understand that for safety reasons, children are to **enter and exit the vehicle EXCLUSIVELY on the passenger side. Please adjust your vehicle accordingly.**
- The assigned tag number is to *be returned when my family no longer has student(s) attending Henderson Elementary.*
- **I understand if I do not have possession of my tag, I must park in the school's lot and go into the office with my ID to collect my child(ren).** *Any child(ren) that have not been picked up will be escorted to the office once the last vehicle leaves the line. You may sign your student out from the office at that time.*
- I understand the car rider program is **not a requirement but a privilege.** If my family does not comply with expectations, I understand this privilege **may be revoked.**
- I understand that **I MAY NOT** leave my car because it is a fire lane. Staff will help your child in and out of the car (This includes any other passengers)
- **Do not pass any vehicle unless directed to do so by a staff member.**
- **KNR tags are to be used exclusively in the KNR line. Students will only be dismissed to a vehicle.**
